Hello all,

On April 25th, Little Red School House & Elisabeth Irwin High School, will be visiting

Los Angeles from New York City with 12 students to learn about homelessness in LA and the strategies that the City has implemented to address homelessness. In addition to visits with various service providers, they would also like to visit the UHRC.

They will most likely be visiting the UHRC around 10:30 AM. I would love for all of you that are available to meet with the students to share your knowledge.

Thank You,

Senior Lead Officer Monique Contreras
